The BoatUS Cooperating Group Program is a free program open to any boating and fishing organization. BoatUS asks that you renew your accord with us annually. You will be contacted annually to ensure the liaison and the group information we have on file is correct. If the liaison for your organization changes, please update the information we have on file for your organization by **clicking here**.

Have Questions? Please call us at (800) 395-2628
