

## Facebook Guidelines

Rules for access to the SBCC FaceBook account has been relaxed a little to allow members, Friends of members, past members that have resigned in good status and non-members that are interested in sailing to either remain or join our FaceBook account. Advertising for non-club functions will not be allowed. The Board has approved the following rules as it relates to this Account.

Policy change was approved by the board in Oct 2017 meeting

1 Resigned Members can remain on our Facebook account. Active Members and their guest will be allowed to become members of the account. The administrator will just approve their joining and then monitor later. Not In Good Standing Members or members removed from the club will not be allowed to re-join or stay a member of the FaceBook account. Verifying that they are an active member will no longer be done. However each person wanting to join will be checked that they are not a company looking for an account that it can use to advertise its services.

- 2 Non Member guest will also be allowed as long as they follow these rules
- a. No advertising for their job or company
  - b. They must be interested in sailing or have some interest in the club that relates to our goals. Any violation and they will be removed and blocked from every joining again.
  - c. Topics that are related to our goals.
  - d. As a non Members they will not be allowed to post videos or pictures unless it relates to Sailing, Navigation, Boating Safety or Member question
  - e. Non Members and resigned members cannot invite their friends.
  - f. Do not violate any of the actions of removal from page 2.

3 The Administrator will allow anyone to join the group if the above rules are followed. This can be done by reviewing the requester home page to see if they are just attaching for no good reason. Such Company accounts, Sales persons any other company site, do not live on Long Island within our area.

4 Resigned members can stay on the account if they wish **but they cannot invite their friends.**

- 5 Not In Good Standing members are removed when they records are archived in December.

This will reduce the administrators work from closely monitoring the account to just review for any major violations or other member complaints about the accounts content from specific people. The administrator will rely on members to spot violations and then send a complaint to the [webmaster@sbccsail.org](mailto:webmaster@sbccsail.org)
